DATA SOURCES: Regional road base map created by compiling area county's major road network. Managed, Projects, and Immobilized (IMM) data from Hillsborough County.

Accuracy: The map is for illustrative purposes only. The CC's list of high priority regional transportation initiatives is intended to provide policy guidance when advocating for discretionary funding for the construction of major regional transportation improvements. The CC's list is not intended to be definitive for prioritizing projects for funding. The CC's list may be used as part of a regional funding strategy. The underlying principles are the same as those identifying the regional transportation system's capacity, safety, and economic development of the region. The accuracy is not guaranteed. This map is for illustrative purposes only.
