On the Road for Safety

Training Guide
Why Get Involved

➢ Effective, kinesthetic lessons

➢ Easily-implemented service projects for your clubs, honor societies, and classes

➢ Opportunity for high school students to develop leadership skills and build college resume

➢ National Health Education Standards and Florida Standards for Health and Physical Education
Goal
To help reduce pedestrian and bicycle injuries and deaths and promote healthy benefits of walking and biking to school through a sustainable education kit
Let’s Walk and Bike to School!
2 − 4 − 2
Helmets

Why don’t YOU wear a helmet?

Cost
Forget
Looks weird
Mess up your hair
Not cool

Friends don’t wear them
