City-County  
Planning Commission**

**Update to User Fees  
Stakeholder Meeting**

The Planning Commission is considering an update to the user fees for a variety of services provided by our agency. Our user fees have not been updated since 1987. A study is looking at the cost associated with our staff providing these services to the public, along with a comparison of other user fees within the Tampa Bay region.

It's important for stakeholders, like you, who use our services to be engaged in this process. Your candid feedback is an integral part of this study and is needed before a final draft and recommendations can be made.

Please join us for a meeting to gather stakeholder input on the **2016 User Fee Update Study** draft:

**Tuesday, October 25, 2016  
3:00 p.m. - 5:00 p.m.  
Plan Hillsborough Room  
County Center, 18th floor**
