The developer, Bowen Arnold of DDA Development, and Gracepoint's Susan Morgan will lead the tour. This inventive partnership was privately funded and used low income housing tax credits and a loan from the state of Florida to create stunning, affordable senior housing.

"We believe affordable housing shouldn't look like affordable housing; it can be designed with modern features, green certified, and a place proudly called home."

- Susan Morgan, MSW

The Graham has graciously offered to provide lunch to all participants. Monetary donations or apartment supplies (like cleaning, personal hygiene, etc.) will be accepted to help stock the community's store and provide 'Graham bucks' for residents in need to make purchases.

Space is limited, so please RSVP to Sharon Snyder at snyders@plancom.org or **813/273-3774 x316** no later than Monday, January 29th. The Graham is located at: 2400 East Henry Avenue, Tampa, FL 33610
