Presenter

Sarah McKinley, MPO Staff

Summary

The following item is three Transportation Improvement Program (TIP) amendments to the FY 2019-2023 TIP. These amendments will allow Hillsborough Area Regional Transit Authority (HART) to apply for and receive programmed Federal Transit Administration (FTA) funding for 2017, 2018 and 2019. The funding programs included allow for capital assistance, fixed guideway state of good repair, and bus and bus facility related expenses. This will also amend the State Transportation Improvement Program (STIP) so that HART will have the appropriate reference needed for FTA applications.
