Centered in one of the most historically rich neighborhoods in Tampa, THE PEARL encompasses everything great about living in the Heights: the Tampa Riverwalk, Armature Works with Heights Public Market and signature restaurants, as well as boutique shopping, indie coffee shops, biking, kayaking, and, yes, even easy access to Pirate Water Taxi. Pair all this with incredible amenities and sweeping Downtown skyline and Hillsborough River views! You won't want to miss this tour and talk with the developers of this brand new, NGBS Silver Certified, socially responsible living community.

Please join the Planning Commission for our March 27 Info BBQ (Brown Bag Quarterly). **11:30a - Meet at Armature Works - Heights Public Market - at 1910 N Ola Avenue, where you can enjoy your brown bag lunch or a tempting eatery in the food hall. Hemingway's Modern | Fresh | Cuban has graciously offered a 20% discount. Shortly after noon, we'll walk over to THE PEARL at 2110 N Ola Avenue for the tour.**
